

BY APPOINTMENT

Our students and staff thank you for participating in a vital component of their training program. We hope you find that our clinic and services exceed your expectations and that you will return often.

Please tell your friends to come in and see us. We encourage our guests to arrive at least 15 minutes prior to their appointment to fill out a required health questionnaire, and we recommend that you leave yourself a little extra time for services.

This facility is for adults only—no children please. To provide a spa-like atmosphere for all of our clients, we also ask that you turn your cell phones and other electronic devices off when you arrive.
